## VIRGO SEPTEMBER HOROSCOPE

**September, 2023**

### General

Virgo is a common and earthy sign and is ruled by Mercury. These natives will be intelligent in their moves. Analytical skills and logic are a handy tool for these natives. Natives belonging to this sign usually have more business knowledge and possess keen interest with respect to the same. Multi tasking is a unique quality within these natives and they are able to execute the same in well defined manner.

The Monthly Horoscope of September 2023 reveals that during this month, the natives belonging to the Virgo zodiac sign will observe moderate results as Jupiter, Rahu is in the eighth house. Saturn will be placed in the sixth house as the fifth and sixth house lord. Mars as the third and eighth house lord and as the energy planet occupies the second house from 3rd October, 2023.

This month will give moderate results when it comes to relationships as to the position of nodal planets; Rahu and Ketu are placed in the second and eighth houses respectively. Saturn is placed in the sixth house from the Moon sign and due to this success ratio will be good when it comes to taking efforts with respect to career. More service mindedness

will be possible among these natives. Saturn will be in retrogression and due to this there could be a backlog or delays in work being done by these natives.

But these natives need to take care of their individual health as Jupiter is occupying the eighth house along with Rahu. Financial problems and health problems will be present for these natives due to the unfavorable placement of Jupiter.

But the placement of Jupiter in the eighth house might not be favorable for expansion and for venturing into new things during this month. Career position as a whole will bring these natives with new opportunities and such opportunities may bestow these natives with high levels of satisfaction and this will be possible due to the placement of Saturn in the sixth house.

The placement of Jupiter in the eighth house may confer these natives with interest in spiritual knowledge and enhancing the same. Also, there are possible chances for these natives to gain through inheritance.

Read the horoscope in detail to know how this month of September will be for your life and how you will get results in the fields of family, career, health, love, etc.

## Finance

According to the Monthly Horoscope September 2023, the people who are born under this Virgo Zodiac Sign could witness an increase in expenses during this month as Jupiter will be in the eighth house along with Rahu. Venus the planet for love occupies the eleventh house in retrogression.

The above denotes huge expenses that these natives might need to bear for meeting with unwanted commitments. This placement of Venus denotes that these natives may be put to loss of money also. Natives would need to go for higher loans to meet their requirements and this could cause botheration for them.

Jupiter's placement in the ninth house of the moon sign may not meet the needs of the natives since costs may be spiraling out of control, necessitating the need for loans. Jupiter's position may be causing commitments to grow rapidly, and natives might find it challenging to fulfill them.

Saturn is positioned advantageously in the sixth house, which indicates that these natives may be successful in their endeavors to make money. These people may be able to meet their obligations by gaining through loans this month, but Ketu's placement in the second house could cause whatever money they make to disappear. It might be difficult for the natives to gain and save a high level of money.

If the natives are in business, then this month may not be highly profitable for them. If it is any other business also, natives could find this month to be hard to receive high profits and may not be in a position to compete with their competitors.

## Health

According to the September 2023 Monthly Horoscope, those born under the Virgo Zodiac Sign will enjoy fair health this month due to Jupiter's favorable position in the ninth house, which might also cause these individuals to have health issues including headaches and digestive issues.

Additionally, until October 2023, Rahu will be in the ninth house with Jupiter.

Then, given that Ketu is in the second house, the placement of the nodal planets Rahu and Ketu in the second and eighth houses of the moon sign might not have been favorable for these people as they could be more susceptible to eye-related diseases.

When Rahu and Jupiter are both in the eighth house for certain natives, it may make tumor-related issues worse. Additionally, these people might experience obesity-related issues. These locals might have to follow a strict diet and fitness routine in order to prevent obesity.

However, since Saturn is in the sixth house, it's possible that these natives won't have any significant health issues and may even be more immune. These natives could be maintaining a strong resistance in order to stay healthy.

## Love/Marriage/Personal Relations

The Monthly Horoscope September 2023 elucidates that people, who are in love might not find this month to be encouraging for love as Jupiter is placed in the eighth house and the nodal planets Rahu and Ketu are in the second and eighth house.

Venus the planet for love occupies the twelfth house in retrogression and occupies this position till second October 2023. Due to the above, natives who are in love may not feel the charm in love life and also the same applies for the natives who are married. There could be some arguments among couples due to lack of understanding and all these will be possible in the form of sensitive issues.

Saturn as the fifth house lord occupies the sixth house with respect to the Moon sign and due to this these natives may lose their temperament with their beloved most of the time. Natives who are yet to get married might need to wait for more time and those who are in married life may not get the required satisfaction that they require.

## Family & Friends

According to the Monthly Horoscope for September 2023, the people who are born under this Virgo Zodiac Sign could be facing some confusions in their family. Confusions could rise due to ego problems that may be present among family members and also increasing commitments in the family. This will happen due to the placement of Jupiter in the eighth house as the fourth house lord. Due to Jupiter as the fourth house lord placed in the eighth house with Rahu this month there could be chances for bitterness in the family.

The presence of Saturn in the sixth house and its aspect over Jupiter in the eighth house may lead to misunderstanding in the family. Such misunderstandings in the family might arise due to money issues and disputes in the family.

THE GYPSY'S SONG.

The king to his hall, and the steed to his stall, And the cit to his bilking board; But we are not bound to an acre of ground, For our home is the houseless sward.

We sow not, nor toil;  
yet we glean from the soil  
As much as its reapers do;  
And wherever we rove,  
we feed on the cove  
Who gibes at the mumping crew. CHORUS. —So the king to his hall, etc.

We care not a straw for the limbs of the law, Nor a fig for the cuffin queer; While Hodge and his neighbour shall lavish and labour, Our tent is as sure of its cheer. CHORUS. —So the king to his hall, etc.

The worst have an awe  
of the harman's [constable] claw,  
And the best will avoid the trap; [bailiff] But our wealth is as free of the bailiff's see As our necks  
of the twisting crap. [gallows]  
CHORUS. — So the king to his hall, etc.

They say it is sweet to win the meat  
For the which one has sorely wrought;  
But I never could find that we lacked the mind  
For the food that has cost us nought! CHORUS. — So the king to his hall, etc.  
And when we have ceased from our fearless feast  
Why, our jigger [door] will need no bars; Our sentry shall be on the owlet's tree, And our lamps  
the glorious stars.

CHORUS. So the king to his hall, and the steed to his stall, And the cit to his bilking board; But we are not bound to an acre of ground, For our home is the houseless sward.
